ENGAGEMENT OF POST DOCTORAL FELLOWS

The Nigerian Institute of Social and Economic Research (NISER) requires the services of postdoctoral fellows to complement the efforts of NISER researchers in executing research projects for the 2024/2025 fiscal year.

The required disciplinary expertise of post-doctoral fellows shall include the following: Agricultural Economics, Economics, Modeling/Econometrics (including input-Output analysis), Technology Policy, Political Science with Quantitative Methods, Educational Management, Sociology and Computational Sociology.

Successful candidates will be placed on a short-term contract for 12 months.

Interested applicants should send their applications addressed to the Director General NISER, with detailed CVs to:

Director, Administration Department (e.udofia@niser.gov.ng, udofiashmascot@yahoo.com)

Copied to:

The Director General (dg@niser.gov.ng)

Applications should come in within four weeks of this broadcast.

Mr. E. Udofia
Director, Administration Department
Nigerian Institute of Social and Economic Research, Ibadan, Nigeria
