

CALL FOR PAPERS

The Nigerian Institute of Social and Economic Research (NISER) invites submissions of manuscripts for publication in its journal, *Research for Development*, for the December 2024 issue. The journal is dedicated to publishing evidence-based research in all areas related to social and economic development. We welcome articles in the fields of Economics, Agriculture, Sociology, Psychology, Politics and Governance, Human Resources, Technology and Innovation, Environment, and other related disciplines.

Guidelines for Contributors

Submissions must be original and not previously submitted or under consideration for publication elsewhere. Ensure all items below are adequately addressed before submitting your paper.

- **Organisation:** The article should be organized in the following sections: Title Page, Abstract, Introduction, Literature Review, Methodology, Results and Discussion, Conclusion, Recommendations, and References.
- **Abstract:** The abstract should not exceed 300 words and include a maximum of five keywords. This section should briefly cover the following aspects- Background & objective, Methodology, Key Findings and Conclusion.
- **Formatting:** Submissions should be in MS Word format, Times New Roman font, size 12, double-spaced, and should not exceed 15 pages including references, tables, and figures.
- **Author Information:** The title page must include the names, institutional affiliations, email addresses, and phone numbers of all authors, with the corresponding author clearly indicated. Authors should finalize the order of their names before submission. Changes to the authorship list can be made only before final acceptance, with reasons provided by the corresponding author and written confirmation from all other authors. After acceptance, no adjustments to the authorship list will be allowed.
- **Author Contributions:** For multiple authors, specify each author's contributions using the CRediT taxonomy, which includes roles such as Conceptualization, Data Curation, Formal Analysis, Funding Acquisition, Investigation, Methodology, Project Administration, Resources, Software, Supervision, Validation, Visualization, Writing – Original Draft, and Writing – Review & Editing.
- **References and Citations:** Use the APA 7th edition referencing style.
